2023-24 REQUEST FOR DONATION APPLICATION

Club Cruceros was founded in 1988 and has over 500 members. One of the primary goals for the cruising community is to become involved with the local people and serve the local communities.

Connecting organizations with resources in the form of monetary donations, gifting of supplies or volunteers to serve is our way of getting involved. Thank you for your request.

While we do our best we do not guarantee that we will be able to fulfill your request.
