2023-24 Club Cruceros Donation Application Instructions.

Club Cruceros is dedicated to establishing and maintaining good relations with the community of La Paz. One of the ways we achieve this goal is through the distribution of funds, goods, and volunteers to assist charitable organizations in the La Paz area. The Club Cruceros Charity Committee invites you to apply for assistance for your organization. Please understand that we cannot accommodate all requests. Each year the Committee collects and evaluates requests to determine what we can provide and offers assistance to many as organizations as the annual budget allows. If you wish to be considered, please fill out the attached application and return it to Club Cruceros located at Marina de La Paz or return a scanned copy of your completed application to charity@clubcruceros.net.

Application Calendar:

Application must be received by February 1, 2024.

Presentations by applicants will begin March 1, 2024.

Distribution of funds will be after March 31, 2024.

In addition to your application, we request that you give a simple 5–15-minute presentation to our members during the month of March 2024 describing your organization and explaining who you serve and how you intend to use the goods or funds you are requesting. We are happy to provide interpreters if needed.

Please feel free to contact us with any questions at charity@clubcruceros.net.
